Friday 1st March 2024

Thought for the Week

As we travel through Lent we have tried to think of ways of helping others. In particular we prayed: *Heavenly Father, teach us that it is never clever to be rude to others. Help us to love our friends and respect them for who they are. Help us to say sorry when we do wrong or say unkind things to other people. Thank you for loving each one of us as we are. Amen*

Vicar James

Themes from our Worships this week and what they have meant to us

	Theme of the assembly is Compassion	What we have learnt
Monday	Singing assembly practicing for the Easter service	We are excited that we have 3 songs to share with parents at the Easter Service on Thursday 28th March.
Tuesday	The Good Samaritan– individual classes	This important parable has taught us the importance of taking responsibility for the care of others in spite of what others may say. We must have the courage to standby what we know is the right course of action.
Wednesday	The Good Samaritan– whole school	
Thursday	Vicar James	Vicar James spoke about the importance of compassion and how we must treat everyone the same respect.
Friday	Celebration assembly	The opportunity to celebrate the events of the week!

Dear Parents,

I hope that everyone had a lovely half- term and that the weather didn't affect plans too adversely.

As we approach the second half of the spring term, we look forward to lighter evenings and brighter weather.

Outdoor Learning at West Tytherley- Wednesday 21st February

All our Year 3 pupils braved the wind and the rain to take part in a cluster schools outdoor learning morning here at West Tytherley School.

There was plenty to do: Natural art work, clay faces, creating stick men and following a trail, to name a few. If you add to that hot chocolate and time spent outside with friends it creates the recipe for a memorable and learning- filled morning.

The children were proud to be able to share their amazing school grounds with other children.

(We have a few pairs of wellies left in school waiting for collection)

Request for coloured threads

If you have any embroidery thread that you would be happy to donate to school we would be very grateful. Please drop it in at the school office.

MFL Spanish Workshop from South Wilts

Oak class had a great time learning some Spanish phrases and vocabulary in the outreach workshop. We would like to thank Miss Lee for organising this, and South Wilts for providing this opportunity for our children to enjoy.

World Book Day- Thursday 7th March

We are looking forward to celebrating all things book related on Thursday. We hope that all the children will enjoy the day, please remember that the costumes are fun, and they can be as simple as you like. This day is one that children will remember positively through their time at primary school

Schools Library Service Book Audit

Please can I ask that all children look at home to see if they have any books from school that are hiding in bedrooms! We are particularly keen to find any books that belong to the School library service, since any missing titles are charged to the school. We will welcome all books without reprisal or judgement, so please do bring them back into school, if you find any.

Chance to Shine- Cricket coaching.

We are fortunate that we will be receiving coaching for all classes in the next six weeks. These are always enjoyable and beneficial sessions for the children to participate in. Please make sure that your child has their kit in school on Friday.

Summer Fete- Saturday 18th May

Please make sure that this date is in your diary. We need to have a full representation from choir and may-poles!

Have a lovely weekend

Lucy Macey

Executive Headteacher

Oak class trip to Tudor House

On Monday, Oak class had a trip to the Tudor house in Southampton. There were many interesting things in the amazing Tudor house. The upstairs rooms hold century's worth of history and even legendary witch marks that have been scratched into the wall. The brilliant education room held the workshop, where the children guessed what the different artefacts presented to them were and how they may have been used in Tudor times. The guided tour involved being shown around the house and exploring the wonders of the wonderful ancient bode.

Thank you to Embley School for providing us with transport and to Mr Harper for giving us his time to join us.

By Noah Garthwaite.

Weekly Certificates Friday 23rd February 2024

Beech	Olivia	For your amazing writing and creative ideas.
Chestnut	Zara	For being creative and imaginative with her ideas when we found the unusual animal on
Willow	Robyn	For showing creativity at the outdoor festival and also showing huge kindness.
