Thought for the Week

This week, on Thursday, it was 'Ascension Day'. This is the day when we remember the story of Jesus leaving his disciples (40 days after coming alive again at Easter) and ascending/going up to heaven. Our 'Open the Book' team came into school to help us understand the story and show how sad Jesus' friends were at saying Goodbye to Jesus. We prayed: *Dear God, sometimes we feel sad when we have to say goodbye to our friends. Sometimes we feel lonely when friends go away. Thank you that you can help us in our sadness and loneliness if we ask you. Amen*

Vicar James

	Theme of the assembly is Creativity	What we have learnt
Monday	BANK Holiday	
Tuesday	Ascension	This important Bible story is based on the ascent of Jesus Christ into heaven on the 40th day after his Resurrection.
Wednesday	Singing Assembly	This week's assembly was our singing assembly. Everyone is practising very hard to sing at our school's Tea and Bingo event. Barney – I like that we can get involved and the stories are interesting.
Thursday	Losing friends (Ascension) Open the book	This assembly is organised and presented by Vicar James and volunteers from the Church. This week, it follows the same story as our class worship. Hugo F – I really like the lyrics because they encourage me to help the planet.
Friday	Celebration assembly	This is a chance to celebrate our own achievements from this week.

Skips Safety Net Keeping children safe online

A Parent's Guide to Safety and Privacy Settings

When you give a child access to the Internet, you give them access to the adult world.
 The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

What happens online has an effect to what happens offline and what happens offline has an effect to what happens online.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
