Class: Beech / YrR
Summer term / 2025

West Tytherley bitesize

What your children will be learning this term

Literacy

- To continue to link sounds to letters through guided activities.
- To continue to revise their Phase 3 phonic sounds in longer words: ai, ee, igh, oa, oo (moon), oo (book), ar, or, ur, ow, oi, ear, air, er.
- New Tricky words: said, so, have, like, some, come, love, do, were, here, little, says, there, when, what, one, out, today.

- To continue to have stories read to them and explore meaning and characters within those stories. To write their own stories and statements of facts using their known phonic sounds.

Expressive Arts and Design

- To experiment with different materials to make sculptures and models, including clay.
- To play a range of instruments to express stories and rhymes. To compose their own songs.

Mathematics

- To continue to develop an awareness of shape, space and measure including time and 3D shapes.
- To compare and explore the composition of numbers up to 10 including looking for odd, even and double numbers.

Reading

- To develop their blending skills working on longer words.
- To continue to practice their reading in school 3 times a week.

RE

- To consider the question:
Why is it important to look forward?

Communication and Language

- To ask 'why' questions to find out reasons.
- To take part in discussions and share their thoughts and ideas about various topics including different jobs and roles in our community.
- To continue to learn many rhymes and songs and talk about familiar books, including non-fiction books and stories.

Understanding the World

- To understand some important processes and changes in the natural world around them, including seasons.
- To explore the natural world and make observations and draw pictures of plants.

At Home

- I can share my school reading book 3 times a week and comment in the diary.
- I can tell you about what I have enjoyed today.
- I can spot sounds that I'm learning at home.
- I can sing my songs from school.
- I can order numerals to 20 and count the matching objects.
