Creativity 🌱 Courage 🌱 Compassion

Dear Parents,

We have really been enjoying the fine weather and it has helped our painters to be able to get on with the work that they have been doing on the school. Thank you for your patience whilst they have been working. We have been lucky that they have also been helpful and painted some other areas of the school for us, which has not been an additional cost, and now both Willow and Oak have been beautifully decorated.

Thank you JC Rae decorators - you are brilliant!

There is so much on offer for your children to be involved in over the next few weeks, please read on and encourage participation in as many of the opportunities that there are. They are so lucky to have these chances to shine.

Songs of Praise

We would be very grateful if you can make the time to join us at the Church Service this Sunday. The more of us that can attend, the better. I am sure that it will be a lovely service and will celebrate how lucky we are to be part of such a vibrant community.

Meet the Teacher: Wednesday 9th July, 3.30pm

If your child is going to a new class and a new teacher please come along to school and meet them. This will be a chance to say hello, and find out a little about the plans for the class in the new academic year. We can offer child care for all school age children while you attend.

Reading Allowed Competition - KS2

This has been advertised in a separate letter that gives all the details of how to prepare and enter this event. Please contact Harriet in the office if you would like to receive the information again.

Returning Slips to School

When returning letters/permission slips to school, you have two options:

- 1) Place in your child's bookbag/rucksack or plastic communications folder. Please let your child know you have done so, as teachers will ask children in the morning to retrieve them!
- 2) Post the slip/letter through the front door of the office.

Cluster Rounders

Last week our KS2 Rounders team went to Danebury School to compete in a cluster competition and came first! We are very proud of the team, who worked so well together and showed excellent sportsmanship.

Year 6 Leavers Service: Winchester Cathedral

Our Year 6 children had an exciting day attending a special Leavers Service at Winchester Cathedral. The Winchester Diocese have worked with C of E schools across Hampshire to create a wonderful art installation as part of the Triwonder project. Each child created their own animal with a prayer, which was then attached to a ribbon as part of the wider installation. The installation features over 2000 animals!

Vicar James MBE!

I'm sure you have all heard the fantastic news that Vicar James has been appointed an MBE in the King's Birthday Honours List 2025 for Services to Young People. Our school community is so proud and the children were delighted to make and present Vicar James with congratulations cards!

Summer Support/Holiday Homework Meeting - Wednesday 16th July, 3.15pm

We hope that you can meet us at 3.15pm to find out how to use the resources that we have prepared to support your children's learning in the holiday. There will be helpful tips and advice, with things that you may not have considered, about how to encourage your children to engage with these activities. We will also be offering advice on how to support your child's transition back to school at the end of the holidays.

Transition into new classes or new teachers for September

This week our teachers have met with each other to discuss the children who will be moving from their class on to a new teacher. This information is invaluable in order that there can be a smooth transition and that key information about your child's academic and pastoral needs are communicated effectively. The children will spend time in their new classes on Wednesday 2nd July.

If your child is having additional support with transition, you will receive a letter today, which has details of what this will look like for your child.

Please direct any questions about this process through the school office, and we will ensure that your query is addressed.

Book Fair

Thank you so much for supporting the book fair, it was wonderful to see so many children choosing books with their parents. We will have the commission from this which will allow us to have some books for our school library.

Parents Evening

Thank you for returning your timing requests. They have now been returned to you. Please arrive in plenty of time to attend your meeting, to avoid appointments running late. We would also like to highlight that the time allocated is 10 minutes, and if you feel that there is more discussion needed, a separate appointment can be made as a follow up.

Choir

Our Choir have been meeting every Thursday and working hard on their songs. They are very excited to perform for you all at Celebration Assembly on Friday 11th July at 2.45pm in King Edward's Hall and our End of Year/Leavers Celebration Assembly on Tuesday 22nd July at 10.30am in St Peter's Church.

Thank you for all your support and help at this busy time of the year.

Best wishes

Thought for the Week

We heard, and acted out, the story of Saul on the Road to Damascus and how he became (Saint) Paul. He changed after meeting Jesus and we prayed:

Dear God, we pray for people who have done wrong things and who are trying to change. Please give them the courage to make a fresh start. And help us, too, when we behave badly and need a second chance. Amen

TRU-Wellness by Jo Trueman
BRAND NEW Pilates classes

STARTING
Monday 30th June to Monday 21st July
AND
Monday 8th Sept to Monday 20th Oct
9am-10am
King Edwards's Hall, West Tytherley

Why not join me for these brand new local Pilates classes in West Tytherley. You will definitely be in safe hands and welcomed with a warm smile – holistic health, fitness and wellness is my passion. My teaching style offers a relaxed, fun and experienced approach with a slow controlled flow to exercise. My sessions cater for all levels, ages and abilities offering continuous hands-on correction, exercise modifications and adaptations to meet individual needs.

Pilates is excellent for improving flexibility, mobility and muscle tone - particularly core muscles groups including abdominals, back, hips and glutes – as well as many other health benefits.

If you think this is something you'd be keen to try, please contact Jo Trueman, 07791 750881 via call, WhatsApp or text for further information or to highlight your interest.
