

Class: Willow / Yr. 3/4
Autumn Term / 2026

West Tytherley bitesize

What your children will be learning this term

Computing

In our unit 'Journey inside a computer', children will develop understanding of digital systems by recognising components inside a computer and what they do.

MFL – French

Mrs Bottle will be teaching us key vocabulary linked to toys and sharing our opinions on toys.

RE

The key concept this term is 'Waiting', where children will describe how the concept of waiting is used at Advent and describe the importance of waiting for Christians and for themselves.

English

Our focus text will be '*The Lion, the Witch and the Wardrobe*' By C S Lewis. Children will learn the key features of a newspaper report to share information about key parts in the story.

Science

Science will have a biology focus this term as we learn about different food groups and a balanced diet. Children will learn the process of digestion and the organs involved in turning our food into energy and waste!

Maths

We will be moving onto methods for subtraction and working towards a written method algorithm (column subtraction). Then, we will switch to multiplication and the relationship between the 3, 6 and 9 times tables.

Geography

Willow will answer the question 'Why is trade so important?', using our knowledge of tea, where it comes from and how it gets to England. We will also learn about the importance of fair trade and how it benefits farmers around the world.

Music

'Marwell's musical safari': We will combine music-making with the exploration of wildlife and conversation to compose part of a very important piece of music!

Art/ DT

We will learn about the importance of eating seasonal ingredients and use these to design and make our own savoury tarts.

PE

Children will develop and apply their dynamic balance on a line and ball skills through focussed sessions.

PSHE (Scarf)

We will continue explore the importance of healthy relationships and how to develop these with family, peers and others we interact with.
